

# IA-A Audio Accessory

## EXTERNAL AUDIO ADAPTER

### Product Features

- G.711 Compression
- Audio Line-In
- Connects Directly to the Accessory Port
- LED Indicator Flashes Red When Recording
- Easy Setup
- Compact

The **IA-A audio accessory** is an external adapter for Pelco products with audio technology. The adapter connects directly to the accessory port of compatible Pelco devices.

The **IA-A** includes standard input and output connectors for audio recording and playback. The **IA-A** also enables the connection of most audio microphones and powered speakers to your Pelco-compatible cameras.

The **IA-A** features a microphone input jack and speaker/headphone input jack, an LED status indicator, and level controls for sound quality.

**NOTE:** Audio output is not enabled in Pelco products with Sarix™ technology version 1.3 firmware.

# TECHNICAL SPECIFICATIONS

## MODEL

IA-A External audio adapter

## GENERAL
